EXPERIENCE

Group SJR

Mar. 2013 – Feb. 2014

Web Developer

Worked on the development and maintenance of websites for Levi Strauss & Co., KKR, Target, NCTA, and others. Set forth changes for better build processes and development servers. Led efforts on project modularization. Some of the technologies I used were Wordpress, Sass, Grunt, jQuery, EC2, and PHP.

AD:60

Sept. 2012 – Jan. 2013

Junior Web Developer

Primarily worked maintaining a news and reviews website, implementing new features and layouts using HTML, jQuery, Sass and CakePHP. Also involved in coding HTML email newsletters and features for outside clients.

(UN) Common Visions

Mar. 2012 – May 2012

Assistant Organizer

Coordinated between professors and graphic design students to participate in the first exhibition in which the students of the Arts MFA program presented their work alongside graduating graphic design majors.

OPT Central

Mar. 2012 – May 2012

Junior Web Developer

Worked alongside the senior front-end developer and the in-house graphic designer creating websites for brands from the ground up. Implemented various interactive features through the use of the latest techniques, including CSS3, HTML5, and jQuery.

Control Electropolishing Corp.

Jul. 2011 – Sept. 2011

Freelance Web Designer & Developer

Solely developed the entire website based on the inputs of the client. After various revisions the website was completed and the customer was extremely satisfied with the finished product.

LANGUAGES

Fluent in Spanish
Proficient in Italian

EDUCATION

Queens College, City College of New York

Sept. 2008 – June 2012

Bachelor of Science in Graphic Design

Minor: Business and Liberal Arts Honors Program
